First Steps[®] ACP Facilitator Certification

September 11, 2018

8:00 am – 4:30 pm

McCauley Center

CHI St. Alexius Health Center

1301 15th Ave West | Williston, ND

*90% of people say that talking with their loved ones about end-of-life care is important . . .
but only 27% have done so*

Respecting Choices® First Steps® ACP Facilitator Certification is designed for social workers, nurses, clergy, physicians and others who assist adults age 18 and older to identify the importance of advance care planning (ACP), reflect on their personal values and beliefs, and communicate their care preferences for when they are unable to do so for themselves.

Purpose

This training is designed to help participants develop the skills needed to facilitate advance care planning discussions with any adult. There are 6.75 continuing education units/hours for nurses and social workers available for the face-to-face training.

Note: The course is not designed for individuals to become advance care planning facilitator instructors.

Course Objectives

- A. Identify interview skills for facilitating First Steps advance care planning (ACP) conversations.
- B. Identify interview skills for facilitating First Steps ACP conversations with adults with chronic illness.
- C. Create strategies to communicate the plan, including the completion of an advance directive document.
- D. Examine the ACP Facilitator’s role in implementing three key systems for ACP effectiveness.
- E. Demonstrate beginning competency in facilitating First Steps ACP conversations through role-laying activities.

Prerequisites

1. Completion of the First Steps ACP Facilitator Online Core Curriculum (6-8 hours).
2. An attempt at an ACP conversation with a loved one or close friend.
3. Completion of a “practice” health care directive.

The online component includes interactive courses intended to help you learn basic ACP concepts and to be prepared for a more robust classroom experience. Contact hours for the online prerequisite are available through Respecting Choices. Upon completion of the modules, you will be able to download a contact hour certificate.

Registration Fee – \$250 The registration fee includes the cost of the pre-course modules from Respecting Choices.

Pre-Course Assignment

1. Complete Respecting Choices® First Steps® ACP Facilitator Online Core Curriculum (requiring 6-8 hours) which will be sent to you via email.
2. Complete “practice” health care directive document; submit to instructor for review (this will be returned to participant).
3. Attempt to have an ACP conversation with a loved one or friend; you will be asked to share what you learned from this personal exercise.

Certification

The term “certification,” as used in Respecting Choices® educational programs and products means that Gundersen Health System issues a certificate upon fulfillment of the following elements:

- 1) Completion of a specified Respecting Choices educational program with standardized content and processes;
- 2) Successful demonstration of skills associated with the specified program and
- 3) If applicable, an 80 percent or higher score on a written examination associated with the specified program.

The Respecting Choices certification programs are not credentialed by a national accreditation body.
